The Whole French Language, Comprised in Series of Lessons, in Two Vols

1854

seminar paper from the year 2012 in the subject english language and literature studies linguistics grade 1 3 university of potsdam course seminar middle english language english abstract 1 introduction i started learning english as my first foreign language at the age of eight followed by french as the second at the age of eleven soon i recognised similarities of the vocabulary of the two languages not knowing why since the grammatical structure and the declension of nouns etc was obviously different of course i was too young to think it over however during my studies of english linguistics i was taught the basic knowledge about the relation between french and english since i had learned that most of the words i knew from french were also borrowed into english i was particularly interested in the process of this phenomenon which events and developments were responsible for the adoption of so many words the middle english period was characterised by many changes both in its social and linguistic situation in 1066 the norman conquest occurred marking the starting point of the most influencing era throughout the history of the english language after the conquest there were two main waves of immigration firstly french upper class people migrated to the occupied british island bringing their language with them and english lost its status as the official language secondly about two hundred years later those french people lost their connection to the continent when king john lost normandy and english was about to reinforce again however soon new french invasions occurred and a new french variety was brought to the island which led to an increasing number of new vocabulary and the english language had to be enforced a second time baugh 1991 this raises the question why french prevailed in the english language that persistently although english had been reinforced and had already gained prestige again this is the matter of interest in this research paper which is concerned with the history of the english language between 1066 and 1400 generally it deals with the french influence on
the English language but focuses especially on the impact of central French which took place in the second phase 1250-1500 where most of the vocabulary was adopted.

A New Pocket Dictionary of the French and English Languages
multi linguis offers you a frequency thematic learner’s dictionary of the French language. It includes up to 9000 essential words and phrases belonging to the levels from beginner to upper intermediate (A1 to B2). The entries are divided into 150 vocabulary themes as well as 6 learning steps. They are arranged by themes not by the alphabet. The book is intended to help you learn and revise this language but can also be applied for translating or entertaining. You may use it separately or as an additional tool for any suited educational course. The multi linguis project is based on the Wiktionary corpus and created by one person. The database of the learner’s dictionaries includes 9000 lemmas, words, and phrases, their translations in many languages, as well as transcriptions, transliterations, and grammar information. All these lemmas are divided into 6 learning steps of 1500 entries each and also 150 vocabulary themes grouped in 30 super themes. They can be arranged by themes, steps, parts of speech, or keywords but never by the alphabet. Different types of dictionaries are offered for the same language. They are designed in an original way to be convenient and efficient. All of them are available in mobi format. Multi linguis is presently able to publish such books for more than 70 languages. It’s planned to improve them and increase their number. You can find more dictionaries in this store.

**Learn French**

we are so used to hearing about all the French words that are found in English and about how purist the French are about their language that we don’t realize how many English words have migrated into French. You’ll be astonished by how many English words are used in French. French is inundated with them. Swamped with them. Most are native English words, but surprisingly some were originally French words which moved into English long ago, evolved a different meaning, and then moved back to French with the new meaning. As anglicismes, English words aren’t always taken into French with the same spelling and usage as they have in our language. For example, you’ll encounter *le weekend* which has gained a hyphen, and *le warning* which doesn’t mean the warning in a general sense but specifically means the emergency lights or flashers on a car. Some words are specific to certain sports like *l’uppercut* or *le football* or to other activities such as playing bridge. While other words which are general in English have only limited meanings in French. An example is *le slice* which only refers to golf and tennis and not to a slice of melon. For instance, some words are so well integrated into French that the average Frenchman wouldn’t be aware that they are words of English origin. At the other extreme are words that the same Frenchman would recognize immediately as English words even though he uses them without reflection. Much as we would say *ravioli* and *pizza* are Italian words or *taco* and *tamale* are Mexican Spanish words. All these words will be marked as *anglicisme* or *mot anglais* in a French dictionary like *le petit Robert*.

the ultimate combo to learn french today enjoy 2 free gifts with your purchase of this book a mastermind group membership and a special report for planning the life of your dreams read this book for free on kindle unlimited order now learn french are you looking for the best way to learn french well look no further this book is simply put the best on the market for learning french why do i say that because this book does what language books should do teach you the mechanics of the language not a bunch of tourist trap phrases that you ll forget the second you leave the country if books don t do that then they make the critical mistake of going into far too much detail and managing to bore you half to death by virtue of the fact that they ve spent 30 pages going on about three different kinds of articles i don t do that either what this book does do and does very well in fact is set you up with the knowledge that you want and need of french in a very short time frame so that you can blast through this book and already feel like you re set up for success this book isn t a reference nor is it a crash course on the french language it s both you ll read through this book and understand then you ll apply what you ve learned and inevitably look back at this book down the line to rehash your memory and you ll grow even more as a french speaker don t waste your time and money on a subpar french book go with the best from the get go learn french with stories learn french is the ideal book for students of french who want to take their comprehension of the language to the next level rather than being a traditional french grammar book learn french offers readers a series of short easy stories in both french and english readers can bypass the step of memorizing complicated french syntax rules by simply learning them as they read the english version is always at their fingertips so that they can check their understanding and each chapter includes a detailed vocabulary section at the end which is excellent for learning new words learning vocabulary in context also helps with understanding and remembering words it s an all around better technique than using traditional flash cards and it s also more fun learn french has a handful of features that set it apart from other similar books each story is followed by a short set of grammar vocabulary and comprehension questions readers who want to test themselves before reading the english version of the story can skip to this section the book is highly navigable and answers to the question sets are found in a separate chapter at the end so it s impossible to cheat accidentally finally the stories follow a graduated level of difficulty all of the stories are written for beginning french students and are geared towards learning basic vocabulary and grammar skills the final story in the book however adds an extra challenge by using the past rather than the present tense readers who are looking to improve their french in a fun and easy way will love this innovative easy to use book don t wait another minute to access this quick and powerful guide to learn french order your copy today it s fast and easy to purchase this fascinating book just scroll up the right hand side of your screen and click on the buy now with one click button
Conversational French Dialogues

2018-09-19

why does everything sound better if it's said in French that fascination is at the heart of the story of French the first history of one of the most beautiful languages in the world that was at one time the pre-eminent language of literature, science, and diplomacy in a captivating narrative that spans the ages from Charlemagne to Cirque du Soleil. Jean Benoît Nadeau and Julie Barlow unravel the mysteries of a language that has maintained its global influence despite the rise of English as in any good story the story of French has spectacular failures, unexpected successes, and bears traces of some of history's greatest figures. The tenacity of William the Conqueror, the staunchness of Cardinal Richelieu, and the endurance of the Lewis and Clark Expedition through this colorful history, Nadeau and Barlow illustrate how French acquired its own peculiar culture revealing how the culture of the language spread among Francophones the world over and yet remains curiously centered in Paris in fact French is not only thriving it still has a surprisingly strong influence on other languages as lively as it is fascinating the story of French challenges long held assumptions about French and shows why it is still the world's other global language.

Learn French news vol 2 English French this edition the dual language text has been arranged into sentences and shorter paragraphs for quick and easy cross-referencing the source text is the French language edition of Voice of America (VOA). The French text has been translated into English for this dual language project. The reader can choose between four formats: section 1 English to French, section 2 French to English, section 3 English, section 4 French. A methodology for getting the most out of this bilingual format is explained in the book's foreword. The primary purpose of this text is to equip a foreign language learner with the ability to start reading news in the particular foreign language to be able to read only in the foreign language and extract enough understanding to continue the language learning process fruitfully. This way a reader might like to go back to reading dual language news for reinforcement and further development returning to foreign language only news with a deeper understanding by going back to the same old news you are going over words, word patterns, and passages with which you already have a certain familiarity the process of reinforcement learning or retaining of what is new and exposure to what is unfamiliar is much easier this way even though the news may seem a little dated the aim of informing the reader about actual news is secondary especially given that the content will become less current and less relevant over time if you are having trouble with the level of difficulty in the text a suggested path for learning languages is as follows: familiarise yourself with a basic language instruction book or read the one you have once a student has studied the basics a suitable book about basic grammar can be helpful. The suggestion is that any grammar book be studied more with the intent of recognition and understanding rather than memorising and obsessive rote learning go through as much of the grammar book you feel you can digest maybe even the whole book skipping over what is not easily understood after this read through a portion of text in a book called French sentences by 2Languagebooks looking for examples of what you have picked up or gleaned in your hopefully not so arduous study of grammar even.
repeatedly seeing a word that you remember seeing listed as a subject pronoun or a third person plural verb of some sort is a great help then depending on your inclination return to the grammar book or your basic french book or move on to lengthier bilingual text like in 2language books texts containing news or stories for example or find some suitable french text a simple novel a french news website etc grammar books will likely have some verb charts however there are currently good on line resources that go further dictionaries with a verb conjugation search option many basic language books offer some form of audio support internet services primarily news based radio stations offer podcasts audio from television is an additional resource and can be formatted for use on various digital platforms however if audio is an important component of your interest in languages electronic devices that support quality text to speech tts will likely be appealing with a library card tts technology in a device that supports the relevant content and the above mentioned resources an entire language learning system is available for not much more than a cup of coffee there is no substantial financial outlay to get you started furthermore there are no additional ongoing fees and updates and there are no expiry dates on premium content and resources a dual language book project 2language books

french language this method has worked for the author and surpasses any other conversational language learning method system currently on the market today by including social issues such as travel common themes such as food daily activities like eating and essential practices like shopping it will help you to engage with more people who speak the language you are learning learn french today have you been trying to learn french and simply can't find the way to expand your vocabulary do your teachers recommend you boring textbooks and complicated stories that you don't really understand are you looking for a way to learn the language quicker without taking shortcuts if you answered yes to at least one of those previous questions then this book is for you we've compiled the 2000 most common words in french a list of terms that will expand your vocabulary to levels previously unseen did you know that according to an important study learning the top two thousand 2000 most frequently used words will enable you to understand up to 84 of all non fiction and 86 1 of fiction literature and 92 7 of oral speech those are amazing stats and this book will take you even further than those numbers in this book a detailed introduction with tips and tricks on how to improve your learning a list of 2000 of the most common words in french and their translations an example sentence for each word in both french and english finally a conclusion to make sure you've learned and supply you with a final list of tips don't look any further we've got what you need right here in fact we're ready to turn you into a french speaker are you ready to get involved in becoming one seminar paper from the year 2012 in the subject english language and literature studies linguistics grade 1 3 university of potsdam course seminar middle english language english abstract 1 introduction i started learning english as my first foreign language at the age of eight followed by french as the second at the age of eleven soon i recognised similarities of the vocabulary of the two languages not knowing why since the grammatical structure and the declension of nouns etc was obviously different of course i was too young to think it over however during my studies of english linguistics i was taught the basic knowledge about the relation between french and english since i had learned that most of the words i knew from french were also borrowed into english i was particularly interested in the process of this phenomenon which events and developments were responsible for the adoption of so many words the middle english period was characterised by many changes both in its social and linguistic situation in 1066 the norman conquest occurred marking the starting point of the most influencing era throughout the history of the english language after the conquest there were two main waves of immigration firstly french upper class people migrated to the occupied british island bringing their language with them and english lost its status as the official language secondly about two hundred years later those french people lost their connection to the continent when king john lost normandy and english was about to reinforce again however soon new french invasions
you've never studied French before or your skills are rusty, you'll enjoy learning along with them as they practice conversation, reading, and translation and develops a foundation in grammar and builds a large beginning vocabulary. The step-by-step teacher guide lays out everything you need to know to help the student, even if you have no background in French. This program introduces your child to the lifetime joy of speaking a foreign language. This program gives students in grades 3-8 a terrific foundation in grammar and develops a large beginning vocabulary. You will also find that the words include English transliteral pronunciations of the French words which helps the reader tremendously in understanding the French.

ready to start your journey with the language of love click add to cart now reprint of the original first published in 1869 incorporating a description of the vulgar latin
spoken in gaul and the earliest recorded forms of french the development of the french language through the later middle ages and renaissance period is
documented to show the extent of standardization of form in the 17th and 18th centuries during germany s occupation of france in wwii french regional languages
became a way for people to assert their local identities this book offers a detailed historical sociolinguistic analysis of the various language policies applied in france
s regions brittany southern france corsica and alsace before during and after wwii have you always wanted to learn how to speak french but simply didn t have the
time well if so then look no further you can hold in your hands conversational french quick and easy books i ii and iii that is one of the most advanced and
revolutionary methods boxset series that was ever designed for quickly becoming conversational in a language in creating this time saving program master linguist
yatir nitzany spent years examining the twenty seven most common languages in the world and distilling from them the most common words that are most likely to be
used in real conversations these words were chosen in such a way that they were structurally interrelated and when combined form sentences through various other
discoveries about how real conversations work discoveries that are detailed further in this book nitzany created the necessary tools for linking these words together
in a specific way so that you may become rapidly and almost effortlessly conversant now if you want to learn complicated grammar rules or to speak perfectly proper
and precise french this book is not for you however if you need to actually hold a conversation while on a trip to a french speaking country to impress that certain
someone or to be able to speak with your grandfather or grandmother as soon as possible then the nitzany method is what you have been looking for this method is
designed for fluency in a foreign language while communicating in the present tense nitzany believes that what s most important is actually being able to understand
and be understood by another human being right away this is one of the several in a series of instructional language guides the nitzany method s revolutionary
approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest
amount of time possible no more depending on volumes of books of fundamental beginner intermediate and advanced levels all with hundreds of pages in order to
learn a language with conversational french quick and easy series books i ii and iii are all you will need learn french today not tomorrow and get started now excerpt
from a new pocket dictionary of the french and english languages in two parts 1 french and english 2 english and french containing all the words in general use and authorized by the best writers we hope that this moderate defence against an injurious encroachment will not be deemed improper here and we finish with observing that this edition continues to have the convenience of a clear and comprehensive view of the pronunciation accidence and syntax of the french language with a particular section on grammar in general about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work offers you a frequency thematic learner’s dictionary of the French language it includes up to 9000 essential words and phrases belonging to the levels from beginner to upper intermediate ii a1 b2 2 cefr the entries are divided into 150 vocabulary themes as well as 6 learning steps they are arranged by themes not by the alphabet the book is intended to help you learn and revise this language but can also be applied for translating or entertaining you may use it separately or as an additional tool for any suited educational course the multi linguis project is based on the wiktionary corpus and created by one person the database of the learner’s dictionaries includes 9 000 lemmas words and phrases their translations in many languages as well as transcriptions transliterations and grammar information all these lemmas are divided into 6 learning steps of 1500 entries each and also 150 vocabulary themes grouped in 30 super themes they can be arranged by themes steps parts of speech or keywords but never by the alphabet different types of dictionaries are offered for the same language they are designed in an original way to be convenient and efficient all of them are available in mobi format multi linguis is presently able to publish such books for more than 70 languages it’s planned to improve them and increase their number you can find more dictionaries in this store we are so used to hearing about all the French words that are found in English and about how purist the French are about their language that we don’t realize how many English words have migrated into French you’ll be astonished by how many English words are used in French French is inundated with them swapped with them most are native English words but surprisingly some were originally French words which moved into English long ago evolved a different meaning and then moved back to French with the new meaning as anglicismes English words aren’t always taken into French with the same spelling and usage as they have in our language for example you’ll encounter ‘le week-end’ which has gained a hyphen and ‘le warning’ which doesn’t mean the warning in a general sense but specifically means the emergency lights or flashers on a car some words are specific to certain sports like ‘le uppercut’ or ‘le football’ or to other activities such as playing bridge while other words which are general in English have only limited meanings in French an example is ‘le slice’ which only refers to golf and tennis and not to a slice of melon for instance some words are so well integrated into French that the average Frenchman wouldn’t be aware that they are words of English origin at the other extreme are words that same Frenchman would recognize immediately as English words even though he uses them without reflection much as we would say ‘ravioli’ and ‘pizza’ are Italian words or ‘taco’ and ‘tamale’ are Mexican Spanish words all these words will be marked as anglicisme or ‘mot anglais’ in a French dictionary like ‘le petit Robert’ and the use of some of them would be frowned on in formal speech or writing but many are very widely used in normal casual speech you’ll find it a fascinating book read what professors and instructors of French and others have written about earlier books in this series i think your books are wonderful you have made a fantastic contribution to the French language profession prof Judy Baughin Raymond Walters College you have done a real service to learners of French this is important work prof John Romeiser U of Tenn i have to say your key words and expressions is just the kind of book i would have liked to have had when i was teaching myself French oh so many years ago prof John Moran DIR language programs NYU if you really want to learn spoken French you need this book key words you’ll need other books as well you’ll need audio materials and you’ll need live language experience but this book is a necessity reader reviewer Amazon.com I love the faux amis especially the relaxed conversational presentation prof Norman Shapiro Wesleyan U your little books are great prof Ag Farlin Washington and Lee U i absolutely love faux amis it’s so well done prof Herta Rodina Ohio U i love your books they are easy to navigate and they are extremely useful to non native French speakers prof John Turvaville U of Tenn perhaps the most amazing thing about this book key words is that it took until 2007 for anyone to think of writing it reader reviewer Amazon.com The books are excellent prof Luke Bouvier U of Mass Amherst I’ve been perusing key words for the past couple of days and it’s great fun what a great idea for a book prof Herta Rodina Ohio U this key words is easily one of the best and most important French resources I own and I’ve got dozens of them it’s amazing absolutely amazing how this book has improved my understanding of spoken French reader reviewer Amazon.com I wish Rosenthal had written rules for the gender of French nouns twenty years ago when I was a student Stephen Hedge review in the French Review did you know that over 275 million people around the world speak a form of the French language if you are someone who has always wanted to learn the basics to French in as short as one sitting then keep reading Martin really wanted to learn French but he discovered that it was almost impossible for him to find the time to do so he tried everything from one on one lessons to attending local French themed parties in hopes of finding French speaking friends nothing seemed like it was going to work and if it did it was going to take too much time for Martin to commit to with his
busy schedule with no positive results coming from any of these language learning attempts martin began to believe that learning a new language was going to be an
impossible task luckily for people like martin with busy and frantic lives learning the basics to the french language has never been easier thanks to the language
lessons contained within this book people like martin now have the ability to learn the basics to french with ease in french language learning for beginners youll get 5
hours of authentic french language learning the powerful knowledge of how to say and pronounce 1000 french words like a pro sentences putting each and every
french word into context to better your understanding professionally organized page layouts designed to reduce confusion while increasing learning clarity and
productivity 23 different categories ranging from basic words to household items for you to learn from and so much more fortunately you no longer need a huge
amount of money or months of time to learn a new language everything you need to know about the basics to french can be found right here so if you want to
save time and learn the french language in the most beginner friendly way then click the add to cart button now are you looking for an incredibly good manuscript for
learning french are you frustrated because you want to leave for a trip to french but you cant due to your lack of french language knowledge do you know what is the
hardest thing to find in a language learning manuscript if you want to know the answer then keep reading attention to start on your path to learning you do not have to
purchase the whole series instead you can buy this book only however the purchase of the complete series of four books is recommended for a richer and more
detailed study of the language in question probably you have already tried to learn french by watching your favorite movies and series and maybe you could not see
them until the end giving up right away because they were talking too fast and you could not understand that much if this happened to you you probably thought that
learning french is too difficult if not impossible for you science helps you here did you know that we memorize and learn information more easily through stories
because our brain likes it it has been so used from an early age with the stories they told us cartoons etc in this way it is more inclined to learn as a result it is easier
to learn and memorize a new language by reading stories there are several manuscripts similar to this one for learning french but they are not really optimal or
suitable for beginners for different reasons complicated terms are used the stories are too long lack of vocabulary excessive amount of grammatical errors lack of
techniques and suggestions to help the reader to memorize effortlessly and other carelessness that you will not find in this manuscript in this bundle of series 3 and 4
youll find tips and techniques about learning languages in general and key insights into learning french the fundamentals of the french language some of the most
complex issues of the french language verb conjugations in the present and in the present continuous tense 28 dual language lessons in parallel text broken down
into verb tenses core vocabulary which can be used in multiple situations the present simple tense with the verb tre the various ways in which verbs can be
conjugated the present simple tense with regular and irregular verbs 3 empowering lessons with all the tenses together and much more in fact even if you have never
spoken or written in french no need to worry because this book was designed specifically for people like you at the end of each story there are 10 questions and
suggested answers that will guide you in each of your answers in addition to get the most out of this manuscript youll find a parallel translation of the stories in
english and at the beginning of each lesson there is a glossary that contains the words of the story that will follow this will help you to memorize the most important
words of each story in conclusion with all these advantages it will be scientifically impossible not to learn french if you are ready to learn quickly and effortlessly french
just buy a copy now of this manuscript to start speaking french fluently is conversational french turning a little too tricky for you do you have no idea on how to order a
meal or book a room at a hotel if your answer to any of the previous questions was yes then this book is for you if there is even been something tougher than learning
the grammar rules of a new language it is finding the way to speak with other people in that tongue any student knows this we can try our best at practicing but you
always want to avoid making embarrassing mistakes or not getting your message through correctly how do i get out of this situation many students ask themselves
to no avail but no answer is forthcoming until now we have compiled more than one hundred french stories for beginners along with their translations allowing new
french speakers to have the necessary tools to begin studying how to set a meeting rent a car or tell a doctor that they dont feel well we re not wasting time here with
conversations that dont go anywhere if you want to know how to solve problems while learning a ton of french along the way obviously this book is for you how
conversational french dialogues works each new chapter will have a fresh new story between two people who wish to solve a common day to day issue that you will
surely encounter in real life a french version of the conversation will take place first followed by an english translation this ensures that you fully understood just what
it was that they were saying before and after the main section of the book we shall provide you with an introduction and conclusion that will offer you important
strategies tips and tricks to allow you to get the absolute most out of this learning material that is about it simple useful and incredibly helpful you will not need another
conversational french book once you have begun reading and studying this one we want you to feel comfortable while learning the tongue after all no language should be a barrier for you to travel around the world and expand your social circles so look no further pick up your copy of conversational french dialogues and start learning french right now many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive we are republishing these classic works in affordable high quality modern editions using the original text and artwork this book will teach you to speak french using an extremely simple and easy to follow method if you ve struggled to learn french in the past this book is for you you will succeed with this method this book is split up into nine lessons each of which will teach you a selection of useful words and phrases and you ll learn how to put them together to form sentences enabling you to communicate effectively in french from the very first lesson you need no prior experience with french you need no other materials everything you ll need is contained within this book you ll learn vocabulary that will be useful on any trips to france or any other french speaking country it s perfect for the holiday maker who wants to be able to communicate during their vacation you ll have opportunity to practise what you ve learnt thanks to hundreds of recap exercises and you ll also learn about the 3 minute ideology and why extremely short bursts of study are much more effective for your overall learning than long drawn out study sessions each word or phrase also comes with a useful pronunciation guide to show you how to say it in french i wrote this book under the assumption that you know nothing about the french language in fact i wrote it under the assumption that you know nothing about languages full stop this is because when i first started learning languages i was always thrown off by specific grammar terms or strange rules that weren t really explained properly i explain everything in an easy to follow manner so you won t get lost so give 3 minute french course 1 a go today and start speaking this beautiful language the ultimate combo to learn french today enjoy 2 free gifts with your purchase of this book a mastermind group membership and a special report for planning the life of your dreams read this book for free on kindle unlimited order now learn french are you looking for the best way to learn french well look no further this book is simply put the best on the market for learning french why do i say that because this book does what language books should do teach you the mechanics of the language not a bunch of tourist trap phrases that you ll forget the second you leave the country if books don t do that then they make the critical mistake of going into far too much detail and managing to bore you half to death by virtue of the fact that they ve spent 30 pages going on about three different kinds of articles i don t do that either what this book does do and does very well in fact is set you up with the knowledge that you want and need of french in a very short time frame so that you can blast through this book and already feel like you re set up for success this book isn t a reference nor is it a crash course on the french language it s both you ll read through this book and understand then you ll apply what you ve learned and inevitably look back at this book down the line to rehash your memory and you ll grow even more as a french speaker don t waste your time and money on a subpar french book go with the best from the get go learn french with stories learn french is the ideal book for students of french who want to take their comprehension of the language to the next level rather than being a traditional french grammar book learn french offers readers a series of short easy stories in both french and english readers can bypass the step of memorizing complicated french syntax rules by simply learning them as they read the english version is always at their fingertips so that they can check their understanding and each chapter includes a detailed vocabulary section at the end which is excellent for learning new words learning vocabulary in context also helps with understanding and remembering words it s an all around better technique than using traditional flash cards and it s also more fun learn french has a handful of features that set it apart from other similar books each story is followed by a short set of grammar vocabulary and comprehension questions readers who want to test themselves before reading the english version of the story can skip to this section the book is highly navigable and answers to the question sets are found in a separate chapter at the end so it s impossible to cheat accidentally finally the stories follow a graduated level of difficulty all of the stories are written for beginning french students and are geared towards learning basic vocabulary and grammar skills the final story in the book however adds an extra challenge by using the past rather than the present tense readers who are looking to improve their french in a fun and easy way will love this innovative easy to use book don t wait another minute to access this quick and powerful guide to learn french order your copy today it s fast and easy to purchase this fascinating book just scroll up the right hand side of your screen and click on the buy now with one click button problems and perspectives studies in the modern french language looks at a number of interesting or problematic areas in the phonology morphology syntax and lexis of the french language and encourages the reader to think critically about different ways of approaching describing and explaining these issues or data the book is divided into two parts the first section is a preliminary to and contextualises the discussion of the more specialised topics of the second part part two presents problematic and controversial areas in the
